2024 Highlights

Testimonials

“The quality of networking, the panel discussions and additional workshops were something MEIRA has never seen before. I also had a full day of corporate access and had side meetings with Blackrock. I couldn’t be happier about the conference.”

“I thoroughly enjoyed attending the MEIRA Conference in Abu Dhabi. The event was outstanding, with its well-organized workshops, meaningful engagement with other firms, and valuable networking opportunities. It was also exciting to explore the latest technologies available for investor relations. Thank you for such a well-curated experience!”

“The venue, connectivity, workshops, panels and the incredible team organisation. Great turnout and the conference had a great ambiance.”

“Sadly, as a Banker, I must say this conference was better than our own and one of the best I have ever attended across most International Banks and well-established names.”

“It was great catching up with clients, networking, feeling the pulse of the region, the Blackrock fund manager fireside chat was excellent.”
